

Customized Services

SERVICES OFFERED

CONTENT CURATION

Let the Organizational Development Team select and organize content from trusted sources like LinkedIn Learning, Ted Talks, etc to meet the needs of your group.

Service Fee:

- None

CONSULTING SERVICES

Our consultants can assist divisions, colleges/schools, and departments with resolving their most urgent people and engagement problems by providing expertise in organizational diagnosis, organization development, change management, and performance improvement.

Service Fee:

- Fixed-price based on the scope and scale of service.

FACILITATION SERVICES

Options include:

- **Standard Course Delivery** – you choose from a list of courses provided online; our team facilitates the session for your group
- **Custom Learning Activities** – our team assists in modifying or developing learning activities to help employees acquire, retain, and apply knowledge and skills, and deliver the training for your team
- **Retreat/Workshop Facilitation** – our team works with you to establish goals or objectives for the session, develop learning activities and provide facilitation
- **Hybrid** – a combination of standard course content and custom learning activities facilitated by our team

Service Fee:

- Variable-rate based on service, length and number of sessions facilitated

INSTRUCTIONAL DESIGN SERVICES

Our instructional designers can modify standard courses and/or create custom learning activities to support employee learning.

Service Fee:

- Variable-rate based course duration
